## CPIN Excitement Coming Soon

My apologies for the lateness of the 2014 CPIN Post Convention issue of The WARRIOR. I have been trying to recuperate from 2 weekends in a row of national and Indiana Constitution Party meetings in Memphis and near Indianapolis as well as caring for my wife. This past weekend, my wife took a turn for the worse and had to go to the hospital again. I have been very busy and have been losing lots of sleep. She keeps nagging me to get more sleep so I guess I will.

I will post the information about the Convention as soon as possible. Meanwhile, please keep my wife and me in your prayers.

CPIN is looking forward to tremendous growth this year. There will be more news about upcoming excitement in Indiana soon for the Constitution Party.
